

Dedicated to Serving the ICF-IID Industry

OUR FIRM With over 30 years of experience, DHW has grown to be one of the most trusted CPA and Strategic Advisory firms in North Carolina in the healthcare industry, specifically with ICF-IID Providers.

By investing thousands of hours each year into the ICF-IID industry, accompanied with valuable connections with multiple associations, including the American Institute of CPAs, NC Association of CPAs, NC Providers Council, and Developmental Disabilities Facilities Association, we have become a leader in providing top level strategic financial and data analytics services for a large number of Healthcare Providers. Our developed relationships with the NC Division of Health Benefits, NC Division of Health Service Regulations, NC LME/MCOs, and Rubicon Management, provide us with unique insights into the industry and up-to-date developments that make a difference to Providers and stakeholders.

What else sets DHW apart?
